# Why this form is very important...

- The ITS World Congresses continue to be of increasing significance globally, gathering over 300 international exhibitors and attracting over 10,000 senior ITS professional visitors, from more than 60 countries worldwide.
- Countless networking and business opportunities as ITS World Congress is the largest and most important event in the global ITS calendar.
- Every ITS-related topic is welcome to be displayed at the exhibition.
- The venue for ITS Vienna is the Messe Wien, which is located very close to the beautiful city centre of Vienna.
- Vienna is conveniently located in the centre of Europe, boasting sophisticated technology including an extensive transportation system.
- Interest in exhibiting is expected to be very high, so please use this form to reserve your space NOW to get the best out of your participation later.

19th ITS World Congress  
Vienna, Austria  
22 to 26 October 2012
